

Michigan
COMMUNITY INTEGRATED PARAMEDICINE
Procedure Protocol
VACCINATIONS

Initial Date: October 23, 2020

Revised Date:

Section 11-38

This protocol is for trained CIP Paramedics only. If during assessment, procedure, or treatment the patient is found to have a medical emergency in need of hospital treatment, the CIP visit will be suspended, and local MCA protocols utilized.

Purpose: To provide guidelines for the administration of vaccinations as approved by the MCA.

Aliases: Immunizations

- I. Indications
 - a. Order from a clinician requesting the administration of a vaccination
 - b. Participation in mass immunization settings
- II. Vaccinations eligible for administration by CIP paramedics as approved by the MCA include:
 - a. Chickenpox (Varicella)
